- 7) If you have any questions about the application reach out to Tyson Falk, at tfalk@ioneer.com.
- 8) Students will be notified annually for their opportunity to reapply for the scholarship.

SCHOLARSHIP AWARDS: Ioneer awards scholarships based on a comprehensive process. Areas that are reviewed by the committee include but are not limited to the following items: academic accomplishments, community service and future educational goals. Ioneer will pay scholarship funds to the school the student will attend or is attending. The Ioneer Sustainable World Scholarship is awarded without regard to race, color, ethnicity, gender or sexual orientation. Two recipients will be awarded scholarships annually. Monies may be applied to tuition fees or room & board. Award winners may reapply for this scholarship up to four times.

CRITERIA:

Criteria as it applies to graduating high school seniors:

- Applicants must be graduating from Tonopah High School, Mineral County High School, Esmeralda Virtual High School or other nearby rural schools including tribal schools during the current school year.
- Applicants must be accepted or applying to accredited college, university or trade school programs for the upcoming academic semesters with a preferred focus in Engineering, Science or the Mining Operations. It's the Company's intention to provide one scholarship to a student attending college/university and one scholarship to a student attending a trade school. However, we will consider students of all intended majors.
- A minimum GPA is not required; however, will be taken into consideration as part of the application review process.
- Applicants must complete and submit the attached Scholarship Application to tfalk@ioneer.com. You may also complete this form online at www.therhyoliteridgeproject.com/scholarship/

Criteria as it applies to post high school students reapplying for scholarship continuation:

- Applicants must be enrolled in either an accredited 2- or 4-year college/university or trade school with a preferred academic focus in the areas noted above.
- Applicants must hold a minimum weighted GPA of 2.5 on a 4.0 scale, (supported by valid school transcript).
- Applications for continuing scholarship must be made to Ioneer by end of June.

PROGRAM ADMINISTRATION: Ioneer USA Corporation administers this scholarship program in all respects, making all decisions with regard to the program including whether the scholarship program is continued.
